Sami Halawa Ribas

has successfully completed the online Specialization

CompTIA SecAI+ (CY0-001) Certification Exam Prep

Congratulations on completing the "CompTIA SecAI+ (CY0-001) Certification Exam Prep" specialization! This program has equipped you with in-depth knowledge of AI security, machine learning vulnerabilities, and threat management in AI applications. You have learned how to assess security risks in AI systems, secure AI models, and ensure compliance with security policies. The hands-on projects will also help you deploy secure AI applications and handle real-world challenges, making you well-prepared for the CompTIA SecAI+ certification exam and the rapidly growing AI security field.

Packt

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
